

PLUTO TRINE JUPITER

We are focusing on Transiting Pluto trine Natal Jupiter

This is a very powerful aspect which may take time to unfold in your life due to the slow movement of Transiting Pluto. T. Pluto may take as long as 2-3 years for its energies to unfold to their full potential.

The energies from T. Pluto trine Natal Jupiter is about regeneration and if you have had struggles in the recent past perhaps because of a death or a shift in life, this is the time for perseverance and a desire to make significant changes to the way you view your life's journey. It may start as an unconscious urge which seems very optimistic, and you may feel regenerated and even ambitious. You may not really understand why, however. This is due to the powerful effects of Pluto making a positive aspect to your Natal Jupiter.

You will likely have the chance to broaden your horizons and make shifts to your life's path often through channels related to your personal philosophy of life, religious intensions, and/or spiritual/occult matters. These realms are now open for such experiences to be a part of your life.

You will realize that the challenges you had faced head on and had overcome were important lessons that needed to surface. You will now look at life from a different perspective and in some cases, life is not only expanding in its horizons, but you may also find that now is the time to advance your cause or take advantage of growth of your business or expand your opportunities for luck and the general feeling that you are on your way to something good. With this aspect active in your chart, you likely are in line for these to materialize.

You now can move ahead in your endeavors and establish yourself in the workplace or perhaps as the person you have been striving to become. You have the power to succeed in life, to rise above intrusion and learn valuable lessons that in a different time might have weighed you down. Move forward with building and expanding (this may have seemed very limited not too long ago).
